Subject: HB 5416, HB5415

Dear Members of the Judiciary Committee,

I write in support of HB 5416. This bill would not deprive anyone of the right to have a gun, but it could prevent people from having arsenals. There is way too much violence already without having more guns on the streets.

I write in opposition to HB 5415. We need to more tightly control any assault weapons and high capacity magazines. Please vote against this bill.

Thank you.
